

2004 Discovery Park Nature Daycamp and Aftercamp Program

Now time to register for Discovery Park’s Nature Daycamp! Give your child a fun and interesting summer by exploring the wonders of nature in Seattle’s largest green space. Nature Daycamp is extremely popular and fills up very quickly. Please read this form carefully and fill in all necessary information completely.

WE WILL USE A LOTTERY SYSTEM TO OPEN REGISTRATION FORMS ON MARCH 2, 2004 AND WILL CONTINUE UNTIL ALL APPLICATIONS HAVE BEEN PROCESSED.

This is not a deadline, just a starting point.

- The form may be returned by mail or in person
 - Feel free to make copies of this form for others.
 - You may submit the applications for two different children in one envelope. To assure a fair lottery please do not send more than two in each envelope. This envelope will be pulled as one lottery pick. (Each child needs own SASE)
- Submit only one registration form per child
 - Children can register for only one week of camp

Once your child’s registration is processed you will receive notification by mail (around mid-March). Payment will be due shortly after that time on **March 30, 2004**. If payment is not received the child will be dropped from camp. After payment is processed, cancellation refunds will be given only with two or more weeks notice if the spot can be filled.

See camp descriptions on back side of form.

Small Group Requests

We do our best to accommodate reasonable requests by guardians regarding the placement of their children in the same small group with ONE friend or sibling. I request that my child be in the same small group as _____

Because of group dynamics your child will be placed with only one buddy, friend, or sibling. Thank You NDC.

- ☐ **Check box if you are interested in carpooling.** If checked you will receive carpool information in your child’s handbook, approximately 2 weeks before camp.
- ☐ **Check here if interested in scholarship info.** Scholarship info will be sent with confirmation letter.

CAMP DESCRIPTIONS:

Nature Fun: Campers age 4-7 will enjoy hands on discovery of nature, through songs, movement, crafts, and exploration. We will visit the four habitats of the park: beach, pond, meadow, and forest and end the week with a pint sized festival

I love Nature: Campers age 6-9 will explore the four habitats of Discovery Park. We will enjoy new friends, songs, games, adventure, new places, crafts, exploration, and much much more. Adults be prepared to learn from your camper, we’re going to send them home with lots of new information.

Science of Nature: BRAND NEW! Hey older kids, ready for something new and exciting? Then join us for the Science of Nature, we’ll have a blast doing experiments, crafts, games, exploration, and meeting cool new friends. Age 10-11.
